

# Market Value Assessor – November 2025 Release

## Search Tree Guide

### 1. New Search Tree

Enter VRM

Enter Mileage

Valuation Month ▼

Search Tree Find

When selecting “**Search Tree**”(No VRM Search), the “**Natcode**” search will now be available by default:

No VRM Search

Valuation Month ▼

Enter Mileage

Year ▼ Month ▼

Natcode ▼

Code

Search via Code

**Valuation Month, Mileage** and, **Plate Year/Month** are mandatory for the Natcode search.

Note that the Plate Letter is no longer required, instead the Plate Month is requested.

If a “Natcode” is not available to execute the search, then switching to the **“Search Tree”** option will make the new manual search tree available:

**No VRM Search**
